

AS350-B3 VHF-FM Radio installation kit

Description

Swiss Helicopter Engineering has developed and certified in cooperation with Swiss Helicopter Maintenance (www.shm-ag.ch) an FM radio system. The system includes the installation of the Kenwood NX-3720E VHF-FM radio, an antenna, a radio adapter and a voltage converter. The system has been designed to ensure a loud and clear audio on the pilot and co-pilot headsets, including sidetone functionality.
