

# AS350-B3 Instrument Panel USB Ports

## Description

Swiss Helicopter Engineering has developed and certified in cooperation with Swiss Helicopter Maintenance ([www.shm-ag.ch](http://www.shm-ag.ch)) the installation of Garmin GSB 15 series USB power ports on the instrument panel. The system includes the installation of Dual USB Type-A, USB Type-A+USB Type-C or Dual USB Type-C coupled with its integration to the instrument panel. The USB ports allow for an easy connection of any external portable device.

SwissHelicopter  
Maintenance
